## Subway

The MTA-operated subway system is the fastest way to travel around New York City and is the chosen form of transportation for over three million New Yorkers. Despite the surge of passengers during rush hours (8:00 am-9:30 am, 5:00 pm-6:30 pm weekdays) the subway system remains quick, efficient and, best of all, an inexpensive \$2.50 per ride. Visitors should be sure to purchase a MetroCard, a thin, plastic card on which the customer electronically loads fares. The MetroCard can be purchased with cash from any subway station with a manned booth or by credit card through an ATM style vending machine located in nearly every subway station. Up to three children 44 inches tall and under ride for free on subways and local buses when accompanied by a fare paying adult. Infants (under two years of age) ride express buses free if the child sits on the lap of the accompanying adult.

## Pay-Per-Ride

You can buy as many rides as you want, put \$5 or more on your card and receive a 5% bonus. Refill your card to use the balance. This card may be the perfect choice for families. Also, up to three children 44 inches tall and under ride for free on subways & local buses when accompanied by a fare paying adult. The unlimited ride metro card can only be used by one person at a time. You can purchase a 7-day unlimited pass for \$30.

## Cab

Cabs are generally best used at night when traveling cross town and aren't recommended for visitors during the day when gridlock makes even walking faster. Official New York City taxis are yellow and you can generally hail a taxi on any street. The cost is \$2.50 initial fare, \$.40 each 1/5 mile or \$.40 every 1 minute idle. There is no extra charge for luggage or additional passengers. Passengers are responsible for paying the flat rate and any additional bridge or tunnel tolls. A \$.51 surcharge is also incurred between 4:00 pm and 8:00 pm and a 50¢ surcharge applies after 8:00 pm-6:00 am. Feel free to ask your driver to turn off the radio, provide air-conditioning and dictate the route that should be taken. Always ask for your receipt and if you have an enjoyable ride it's often polite to tip your driver, though this is never required.

**Insider tip:** Shift change of cab drivers is around 4pm. Be prepared to wait longer for a cab around shift change.

## Walking

New Yorkers love walking. Nothing is more New York than putting on a Yankees cap and some sneakers to hit the sidewalk. In fact, the best way for visitors to view the city during the day is often by walking. Gridlock traffic, subway delays and a gruesome lack of parking, sometimes make walking the most comfortable way to enjoy the city, specifically Manhattan. Walking is the hands-down, best way to enjoy the little nooks and crannies of the city you would miss while zooming by in a cab or underground. However, visitors should not try to walk like the New Yorkers do, weaving in and out of crowds and dodging cars. Be sure to use crosswalks and play it safe.

New York City Explorer Pass

# Frequently Asked Questions

## Terms & Conditions

### Important Things You Need To Know About Your Explorer Pass:

While our guidebooks are accurate at time of printing, attractions may change their hours of operation at any time. It's a good idea to call before you go.

#### How do the included city bus tours work?

**Q:** A: You may choose one bus tour during the life of your card. Once you receive your ticket from CitySights NY for the bus tour of your choice, it is valid for 24 hours after issuance. Note that the All Around Town bus tour ticket is valid for 48 hours after issuance and requires a \$14 upgrade fee, and the Night Tour is valid on the date of pick up only.

#### You may choose ONE tour from the following options:

- Hop-On Hop-Off Downtown Tour
- Uptown Treasures & Harlem Tour
- Night Bus Tour
- Brooklyn Tour
- Woodbury Common Premium Outlets Day Trip
- All Around Town Tour (requires \$14 upgrade fee)
- Multilingual Upper and Lower Manhattan Tour

Any city tour you take is counted as one of your attraction choices. Simply make your choice from the above 7 options and present your Explorer Pass at one of the CitySights NY ticket locations.

#### How do I get my tickets for the Statue of Liberty and is it true that I get to skip the line?

**Q:** A: Present your NYC Explorer Pass at one of the Statue Cruises ticket counters inside Castle Clinton at Battery Park, or Liberty State Park

Please note that you must wait in the security line before boarding the ferry. Do not get into this line without your actual Statue of Liberty Ferry Ticket!

Expect to pass through airport-level security and be prepared for a long wait. We suggest going early in the morning. Allow at least 2 hours to visit one island and 4 to visit both islands.

Your NYC Explorer Pass provides you access ONLY to the island. Pedestal and Crown access requires reservations and space is limited, it is NOT available through your NYC Explorer Pass.

#### How can I secure myself a spot on popular tours such as Gossip Girl Tour, NY TV and Movie Sites Tour, and Sex in the City Tour?

**Q:** A: Explorer Pass tour times open up 48 hours in advance of each tour. Please e-mail office@onlocationtours.com or call (212) 683-2027 with your pass number to confirm your reservation..
